2. Established Role

Week	Tracker	Manager	Customer Liaison	Programmer	Tester	Doomsayer	Software Researcher
2	Xinyu	Yilin	Aaron	All	All	Aiko	All
3	Aiko	Aaron	Nanami	All	All	Nanami	Aaron, Fox
4	Nanami	Aiko	Yilin	All	All	Fox	Xinyu, Aiko
5	Fox	Nanami	Aiko	All	All	Xinyu	Yilin, Nanami

In the following sections, all group members should agree on the undertakings and how exactly they are to be achieved, before the item is ticked. Undertakings can be reworded if desired.

Agreed? Please ✓

4. Role allocation: *We agree to the allocation of roles for week 2 - 5*

[✓]

- **Leader** – Responsible for hosting the meetings and submitting the required files on Canvas.
- **Customer Liaison** – Responsible for communicating with the client, including drafting and sending emails.
- **Manager** – Responsible for recording meetings and producing the meeting minutes (4 per week).
- **Tracker** – Responsible for preparing the URS (User Requirements Specification) after receiving the meeting minutes from the Manager, and checking in with the programmers to ensure they are on track with their tasks.
- **Programmer** – Responsible for writing, testing, and maintaining the project's source code according to specifications.
- **Tester** – Responsible for designing and executing test cases to identify bugs and ensure the software meets quality standards.
- **Doomsayer**—Responsible for identifying potential risks, predicting possible issues, and raising concerns early to avoid project setbacks.
- **Software researcher** – Responsible for investigating relevant tools, technologies, and methodologies to support and improve the project's development.

- 5. Attendance:** *We agree to attend all group meetings punctually and any extra scheduled meetings as necessary.*

[✓]

Please enter realistic meeting times (2 per week, 1 in lab and 1 other) based on your experiences from week 2-5

1. Lab, 4pm Tuesday
2. Zoom meeting, 1pm Monday

What are acceptable unavoidable absences? Record here.

1. Nanami will be away fortnightly until her timetable is modified
2. Fox will be away in Week 9

- 6. Record keeping:** *The Manager will post & maintain all information promptly on Wiki*

[✓]

What sort of information exactly? What needs to be recorded? What wasn't recorded?

- 7. Participation** *We undertake to participate fully and work as a team*

[✓]

What exactly does this mean? What didn't happen in weeks 2 - 5?

How will you do to ensure full participation and commitment for the rest of the project?

8. **Group conflict** *We will discuss any problems, listen carefully to all points of view and negotiate a solution*

[✓]

How did this happen in weeks 2-5?

What changes do you need to make in this area for the rest of the project?

- 9. Task rehearsal:** *We will ensure that each group member is ready for the Group Demo*

[✓]

Did this happen for the Group 1 demo? What do you need to do to improve on your group 1 demo?

Provide details of when and where this rehearsal might take place.

When Where

- 10. Task allocation** *We will distribute the work fairly and equitably*

[✓]

Specifically, who will do what aspects of the rest of the task?

Specified in part 2. Work will be split equitably among group members.

- 11. Anything else?**
